

## **ELECTRO-MECHANICAL** **SERVICE TECHNICIAN**

Air Techniques International, the test equipment and instrumentation division of Hamilton Associates, Inc., located in Owings Mills, Maryland, is currently seeking an experienced Electro-Mechanical Service Technician. This key individual will be responsible for the calibration, troubleshooting and repair of our highly-specialized instrumentation equipment. In addition, the ideal candidate will also assist our production area with new product assembly, testing, calibration and troubleshooting. For additional information about this division and our product line, please visit our website at [www.atitest.com](http://www.atitest.com).

As a result of continuing growth within our organization, we have created this attractive career opportunity for an individual with related skills and a min. of 3 years experience, preferably in a military environment or in a related industry, such as medical instrumentation, electronic testing equipment, optical equipment, etc. In addition to related experience, the ideal candidate will be a self-starter who possesses excellent troubleshooting/diagnostic skills in electronic and pneumatic systems; knowledge of electronic equipment, digital technology, analog volt/ammeters, oscilloscopes, and/or pressure & flow monitoring equipment; proficient soldering skills; and experience working with schematics, blueprints and electronic circuit boards. Experience in an ESD-compliant and ISO-compliant environment preferred. NBC/CBRD experience a plus!

We offer an attractive compensation package and a comprehensive benefits program including health insurance, 401(k) plan with matching and profit sharing, paid vacation, sick & personal time, life and disability insurance, plus much more! **Unfortunately, no relocation benefits are available for this position and only candidates residing within a 50-mile radius will be considered.**

If you are a results-oriented, self-motivated individual seeking an opportunity to utilize your talents in a growing organization, please send your resume, in WORD format, to us for immediate consideration.
