

Global Product Manager, Software Solutions

Air Techniques International (ATI), a division of Hamilton Associates, Inc., is the leading designer and manufacturer of air quality testing and monitoring products and Air Techniques International (ATI), a division of Hamilton Associates, Inc., is the leading designer and manufacturer of air quality testing and monitoring products and services that fulfill our purpose of Protecting People, Products, and Critical Infrastructure. We serve markets that include biopharmaceutical manufacturing (cleanroom production), nuclear energy production, industrial hygiene, and military and counterterrorism applications including respirator mask testing and airborne bio-surveillance. We are the market leader in our more mature product lines, and we are a new entrant to some exciting new markets to be developed. Our business has global reach, with more than half of our sales outside the United States. But we are still a small company (about 50 employees) with significant room for growth and numerous opportunities for business expansion.

We are in the early days of building and executing an ambitious growth strategy that involves strengthening our core business in HEPA filter leak detection testing for cleanrooms while broadening our product lines and technology portfolio, and creating new markets, that will protect People, Products & Critical Infrastructure against CBRNe terrorist attacks.

We have an opportunity for a **Global Product Manager, Software Solutions**. The **Global Product Manager, Software Solutions**, key responsibilities will include:

- Define product roadmap
- Manage new product launches/introductions for ATI's software product line
- Develop the system architecture, software products and apps to support growth
- Travel (domestic and international) required up to 40% of the time

COMPENSATION & BENEFITS

We offer an attractive compensation package in addition to a comprehensive benefits program including health insurance, 401(k) Plan with matching and profit sharing, generous paid time-off (PTO) policy, life and disability coverage, plus much more!

CONTACT US

If you are a driven, results-oriented individual seeking an opportunity to play a key role in the continuing growth of a reputable organization, please forward your resume, in WORD or PDF format, along with your salary history/requirements, to us for immediate consideration.
